RESPONSE TO WRITTEN RESTRICTION REQUIREMENT

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This is in response to the Office Action mailed December 15, 2006, having a period of response of one (1) month that expired on January 15, 2007, which is extended under 37 C.F.R. 1.136(a) for a period of four (4) months to expire on May 15, 2007.

Restriction

Restriction was required as follows:

- I. Claims 8-13, drawn to a method of measuring bi-impedance attributable to joint movement, classified in class 600, subclass 547.
- II. Claims 14-19, drawn to a system for analyzing joint movement using variations of bio-impedance, classified in class 600, subclass 547.

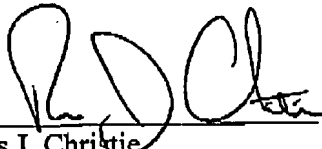

Applicant elects Group I without traverse. Applicants would like to remind the examiner that the former examiner had already determined the claims of Group I are allowable. Applicants again communicate their displeasure with present examiner's insistence to restrict the claims in light of this fact.

Ser. No. 10/668,834

Accordingly, Applicant submits that claims 8-13 are in condition for allowance. Please charge any fees or deficiency or credit any overpayment to our Deposit Account of record.

Respectfully submitted,

Chul Gyu Song, et al.

By
